Ashraf Ali
Group Chairman

From the Chairman's desk

Hearty welcome to HR Group of Companies!

I am honored to write this message on behalf of H.R. Group of Companies and feel elated to represent such a vast globally acclaimed business venture.

It all started **20 years** ago when we laid the foundation of HR Group in 2005 with zero employees and with an area less than 50sqm. And since then we have grown into a successful business empire with more than **12 companies** in existence and global presence of more than **50+ countries** in different business domains. Now with an exceptional achievement and global career, we now are a team of more than **1,000+** employees, **2,000+ happy clientele** & growing exponentially.

I personally believe that clients are not our audience but our success partners and, in their growth, lies our growth. So, wherever they are, in India or abroad, we are continuously looking for possibilities to help them flourish in their chosen fields.

In continuation, we at H.R Group of Companies, the leading multinational company takes great delight in assisting clients in achieving their goals. Be it recruitment, healthcare, IT, skill testing trade centre, outsourcing, facility management, logistics, our main vision has always been to serve the best to our clients both in India and abroad. And we have our presence in more than **50 + countries** such as in Middle East, Europe, Asia, Africa and are moving towards opening in many other locations.

We take pride in recognizing ourselves as the well-known face in various sectors. Since its inception, the company has built a strong reputation and gained appreciation in a short period of time and that's what makes us stand out of the crowd among our competitors.

The continuous success of HR Group is reliant on the confidence of our clients, and we are committed to maintaining that trust by proffering them excellent service.

I would also like to express my gratitude to our clients and customers, business partners & employees for deposing their trust & ongoing support. Their trust and devotion will give us the motivation to work more efficiently and also help them achieve what they seek with our trustworthy & exceptional service.

Wishing continued success and a legacy that inspires all of us to reach new heights.

Warm Regards
Group Chairman

H.R. CONTRACTING AND CONSTRUCTION PVT. LTD.

H.R. Contracting & Constructions

In 2010, HR Contracting & Constructions Pvt Ltd was established with the goal of bringing cutting-edge building technology to the global construction industry. A strong emphasis is always focused on the development of a speciality by offering comprehensive construction solutions for all residential/commercial, high-rise, hospitality, industrial, infra-structural, and failing projects. Through a network of facilities that are vertically integrated with engineering solutions, HRCC partners with clients to design, frame, and build a strong structure while minimizing the time and costs associated with significant project planning. Several large-scale initiatives on affordable housing programs using EPS technology are presently shared by our company with programs operating in Saudi Arabia and India.

We have devoted, knowledgeable, and technically skilled project engineers, project managers, planning and architectural engineers, and other operational staff members in the fields of civil, mechanical, and electrical who actively and willingly accept the challenge of completing the projects effectively and within the allotted time frame.

Our Aim

For HR Contracting and Constructions Pvt Ltd, "Quality is Primary" and a crucial requirement. The "Quality Objective" is met by all systems and procedures. During the material selection process, project implementation, and even after the project is over, we adopt and adhere to stringent guidelines. Our company group is currently putting the "Total Quality Management" concept into practice across all of its operational aspects.

Technology

In the context of technological advances, HR Contracting and Constructions Pvt Ltd desires to implement state of the art technology facilitated with the latest systems/networking techniques. This would provide strong management assistance to access the information and thus, establish regular inspection and control over the business transactions. Continuous technological reformatations help the business group to remain upgraded with the latest market strategies.

Project

Business and Operations

Our company works on both medium-priced and expensive projects, managing contracts and carrying out turnkey construction. We've divided up our projects into the following six groups:

- Residential Projects
- Integrated Township Projects
- Redevelopment Projects
- Slum Rehabilitation
- Special Economic Zone Project
- Commercial Project

Objective

Continue to offer the best while perpetuating all the principles that have become synonymous with our work:

- Unmatched Quality
- Guaranteed Customer Satisfaction
- On-time Deliverance of Project
- Excellent Property Management Cell
- Inspection is provided even after completion of selling process.

Management:

HR Contracting and Constructions Pvt Ltd.'s departments and units are each successfully run by qualified professionals that oversee all work done in their particular department and then provide the CEO with a complete report. The promoters are technocrats with extensive backgrounds in the construction industry. The group units work in a welcoming and friendly work environment and place a high value on the advancement of human resources and the prompt completion of each project that the organization undertakes.
