ASHRAF ALI
GROUP CHAIRMAN

FROM THE CHAIRMAN'S DESK

Hearty welcome to HR Group of Companies!

I am honored to write this message on behalf of H.R. Group of Companies and feel elated to represent such a vast globally acclaimed business venture.

It all started **18 years** ago when we laid the foundation of HR Group in 2005 with zero employees and with an area less than 50sqm. And since then we have grown into a successful business empire with more than **12 companies** in existence and global presence of more than **50+ countries** in different business domains. Now with an exceptional achievement and global career, we now are a team of more than **1000+** employees, **2000+ happy clientele** & growing exponentially.

I personally believe that clients are not our audience but our success partners and, in their growth, lies our growth. So, wherever they are, in India or abroad, we are continuously looking for possibilities to help them flourish in their chosen fields.

In continuation, we at H.R Group of Companies, the leading multinational company takes great delight in assisting clients in achieving their goals. Be it recruitment, healthcare, IT, skill testing trade centre, outsourcing, facility management, logistics, our main vision has always been to serve the best to our clients both in India and abroad. And we have our presence in more than **50 + countries** such as in Middle East, Europe, Asia, Africa and are moving towards opening in many other locations.

We take pride in recognizing ourselves as the well-known face in various sectors. Since its inception, the company has built a strong reputation and gained appreciation in a short period of time and that's what makes us stand out of the crowd among our competitors.

The continuous success of HR Group is reliant on the confidence of our clients, and we are committed to maintaining that trust by proffering them excellent service.

I would also like to express my gratitude to our clients and customers, business partners & employees for depositing their trust & ongoing support. Their trust and devotion will give us the motivation to work more efficiently and also help them achieve what they seek with our trustworthy & exceptional service.

Wishing continued success and a legacy that inspires all of us to reach new heights.

Warm Regards
Group Chairman

H.R. GROUP OF COMPANIES

Our unique and advance software management system provides error free reporting system and ease of access for all kind of services through our state of the art digital solutions.

HRDPL is committed to meeting the healthcare needs of individuals, families, businesses, institutions and governmental organizations by consistently delivering healthcare services. Our intention is to inspire individuals to take small but crucial steps toward a longer, healthier and happier life. With devoted, knowledgeable and experienced professionals, we have built a solid reputation in the healthcare industry. The main goal of our healthcare sector is to make testing procedures simple for patients while also giving them accurate and precise test results at reasonable cost.

Since the beginning, we have always aimed to provide the community with our exclusive services and our commitment has allowed us to make a name for ourselves in the medical sector. In order to provide customers with advanced healthcare assistance, our labs are situated all over New Delhi, Gujarat and abroad. We have successfully established numerous collection centres and franchisees that cover a number of prominent locations making us one of the leading healthcare in India.

VISION

- Being the leading healthcare globally, we aim to be recognized as the most “Model Organization” that offers the best medical services and assistance.
- Additionally, we hope to be recognized as a provider of excellent global healthcare services which includes services related to health.

MISSION

The improvement of the health and wellbeing of the people in our society is our main goal, and we are dedicated to providing the best healthcare services possible. Our primary goal is to provide high-quality care programmes that uphold our patients' expectations, set appropriate standards for healthcare, and do so in a way that is considerate, practical, economical, and easily accessible.

OUR QUALITY POLICY

- Utilize a quality management system to synchronize the organization, processes, and resources.
- Ensuring that every individual sample is processed using a biometric system and a bar code system that leaves no room for error.
- Ensure the well being, health, and safety of all of the employees
- Reporting and releasing test results in a timely, private, accurate, and clinically helpful manner while having access to clinical support
- Ensuring the protection of patient's clinical information.
- Uphold professional standards and be devoted to ethical behavior and practice.

OUR SOFTWARES

HR Soft™

Payroll onDemand is a multifunctional software programme created by H.R Software Solutions Pvt Ltd. that tracks real-time data on employee attendance. Swipe card information can be recorded using this payroll management system to better line up the status of payroll. Payroll onDemand is actually a platform that regularly monitors data for in-depth analysis.

TimeRecord OnDemand™

TimeRecord OnDemand (Time Attendance System) is the most trusted, reliable and stable software brand, H.R Software Solutions Pvt. leads the way in provision of integrated TimeRecord OnDemand Software, offering both existing and new clients a highly flexible and cost-effective time office solution. Time Record solution offers a wide variety of affordable software to meet your organization's changing business needs and daily operations, with solutions that include comprehensive record processing and benefits administration.

SchoolApp OnDemand™

The **HR Software Solutions Pvt. Ltd.** company formed the ERP programme known as SchoolApp OnDemand, and users praised it for its simple formulative approach. It offers efficient assistance in many management and administrative modules, earning it a spot among the top school management software. Students Data Entry, Admission and Registration Management, Pending Fee Report Generation, Attendance Record of Staff and Students, Time-Table Management, Payroll Management, Transportation Management, Examination Management, Library Management, Hostel Management, and Account Management are some of the key components of the software.

AIMS OnDemand™

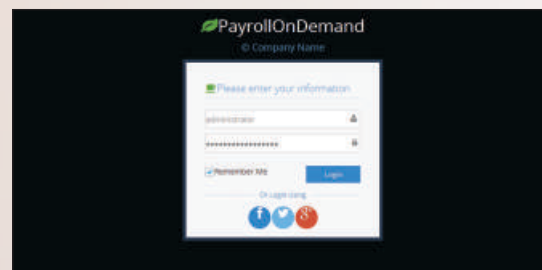

AIMS is an academic management system that uses a web-based interface and supports a wide range of modules that are used in the many college departments. Among the common components that have been compiled in the user interface of this ERP solution are administration management, fee management, admission management, and student management. This expert business solution for managing colleges has produced an innovative integrated system for all learning institutions.

Quick Record™

With a strong reputation in the fields of offshore software development and ERP solutions, HR Software Solutions is dedicated to upholding its commitment to deliver Quick Record solutions both in India and to other countries. It also integrates all aspects of the manufacturing industries with cutting-edge technology, including user-defined reporting querying, client-server technology, NTire architecture, object-oriented technology, and connectivity with all external stakeholders, including suppliers, customers, dealers and agents.

Sales Boost™

The goal of Sales Boost is to strengthen the bond between the business and its clients. Like any organisational endeavour, the ultimate goal of sales boost is to raise sales and profit. In the case of increased sales, this is mostly accomplished through offering better service. It not only enhances customer service but also has a strong sales boost potential that lowers costs, waste and complaints.

Health Desk™

For better hospital management, HR Software Solutions Pvt Ltd developed the health desk. This integrated platform, which has a user-friendly interface, intends to improve the efficiency of the management and administrative structures in medical institutions. In essence, this software is a cutting-edge solution that serves as a thorough platform for managing the whole infrastructure of healthcare facilities.

VisiTrack onDemand™

HR Software Solutions Pvt Ltd provides a comprehensive range of solutions to satisfy your company's shifting operational requirements. The business offers thorough management processing, administration of benefits, and training, all of which can assist you in getting the greatest outcome for your targeted outcomes. We offer you specialized software at a reasonable price with free training and support.

PMS OnDemand™

HR Software Solution Pvt. Ltd. created the automated and multitasking programme known as PMS OnDemand. Because of its maximum configuration versatility, it can meet the needs of both large and simple vehicle parking management systems HR Software Solutions Pvt. Ltd. is the country's first software business to have deployed India's most cutting-edge parking management system (PMS) in Indian Railways, Tatanagar, Jamshedpur, Jharkhand and B.L. Kapur super specialty hospital, New Delhi.

CMS Web Development™

Since it enables users to manage (add, alter, or delete) material on their website, content management systems are in high demand on the global market. It saves money in a sense because website rectification does not require the hiring of additional experts. It is a user-friendly platform made to give customers simplicity and convenience.

Cloud Rank™

HR Software Solutions Pvt. Ltd, has established itself as the go-to platform for resolving and removing any web-related issues. In brief, the company's main strategies include website designing, web development, SEO solutions, initial site-interface analysis, and strategic planning.

HRI TECHNICAL SERVICES

DUBAI | UAE

WeCare (HRI Technical Services) is a Dubai based facility management company that does top notch work with quality job without any disappointment. It is a sister company of HR Group which has been operating since 2005 and has been serving the industry globally. Furthermore, we also have other branches spread out in Riyadh, Al Khobar, India & Nepal and also have **500+** strong clientele both in Europe and India. With a dedicated team, we also have 100% satisfaction rate from both our clients and people who have taken our service.

As a leading facility management company, we offer a variety of dependable cleaning and handyman services at some of the most competitive rates in Dubai. We may assist you with normal domestic and home cleaning, ironing, spring cleaning, after-parties, after-construction, end-of-tenancy, office, or environmentally friendly cleaning. As an ethical company, we implement strategies to keep good cleaners on staff, such as compensating them fairly for their time spent working in Dubai. This, in turn, improves dedication and performance for both us and our clients.

We are dedicated to offering our clients the highest-quality, most affordable handyman and cleaning services available. The ideals of minimal fuss, maximum production, and durable solutions that cure the fundamental cause of any issues, the first time around, are what our staff is created and trained upon.

It is preferable to hire a handyman if you need to make some repairs or improvements to your home but are unable to do it yourself. To complete all local and professional work and improve the appearance of your apartment, villa, office, and warehouse, WeCare offers you the best handyman & cleaning services in the area.

From tile repairs, window seals to fixing appliances, cleaning and putting up shelves, WeCare can do it all for you. If you are looking for any of the handyman and cleaning services, contact WeCare and leave all your worries to us.

Our Mission

Our mission is to provide every customer with the greatest level of professional and customized service that is also hassle-free.

Our Vision

Our primary goal is to consistently provide outstanding services and go above and beyond the expectations of our clients.

Handyman services can help you with:

Hanging and odd jobs

Everything from TV mounting and picture hanging to bath and shower screen installation can be installed for you quickly and elegantly by our team. WeCare Dubai provides all the necessary equipment and expertise to install everything you require.

Repair jobs

As the leading handyman & cleaning company, WeCare will diligently handle everything, from minor leaks to furniture repairs and comprehensive house upkeep. In order to save you the time and money you would otherwise spend seeking for and paying for a separate electrician or plumber, we will send a multi-skilled repairman to your residential or commercial property.

Electrical Services

We have the perfect electrical specialist to accomplish your request with the highest efficiency, from installing a light fixture to completely rewiring the entire home. Even the most challenging electrical maintenance and repairs are within the scope of the specialist we'll send to you.

Painting Services

Any painting project you have waiting can be handled by qualified painters and decorators in Dubai with WeCare. We have the know-how and tools required to complete the task effectively, promptly, and cleanly as we have experienced handyman professionals. .

Plumbing Services

We can install, replace, or repair indoor and outdoor pipes, deal with dripping faucets, clogged drains, toilets or sinks, shower problems, and anything else involving your pipework system because we have all the necessary tools and knowledge.

Carpentry Services

From creating custom house fittings to small home furniture solutions, WeCare proffers excellent carpenter services that will satisfy you immediately. A group of skilled carpenters can create exquisitely crafted custom furniture for you in Dubai.

Bathroom Refurbishment

Broken tiles, draughty windows, and broken plumbing are just a few indicators that your bathroom needs maintenance and renovation. For either extensive or minor bathroom renovations in Dubai, WeCare Handyman services will offer you the services of top bathroom installers and fitters.

Cleaning Services:

At WeCare, we are dedicated to providing our stakeholders with the highest quality service possible. WeCare cleaning services, is a leading cleaning service provider with a qualified team. We understand how important it is to find reliable cleaning services, and it is no longer a hassle. No more hours spent cleaning large villas or cleaning up after parties. Your daily, weekly, or seasonal cleaning is in capable hands with us at We Care.

Employing a cleaning service, the professional cleaning services provided by WeCare are an affordable solution to maintain a clean house while making better use of your time. Our skilled cleaners offer specialized cleaning services for complexed of various shapes and sizes, including tiny to large homes, apartments and commercial buildings. Our cleaning team takes great care in cleaning the most touch-point surfaces to the most unreachable angles. We guarantee prompt and courteous service.

H.R. CONTRACTING AND CONSTRUCTION PVT. LTD.

HR Contracting & Constructions

In 2010, HR Contracting & Constructions Pvt Ltd was established with the goal of bringing cutting-edge building technology to the global construction industry. A strong emphasis is always focused on the development of a speciality by offering comprehensive construction solutions for all residential/commercial, high-rise, hospitality, industrial, infra-structural, and failing projects. Through a network of facilities that are vertically integrated with engineering solutions, HRCC partners with clients to design, frame, and build a strong structure while minimizing the time and costs associated with significant project planning. Several large-scale initiatives on affordable housing programs using EPS technology are presently shared by our company with programs operating in Saudi Arabia and India.

We have devoted, knowledgeable, and technically skilled project engineers, project managers, planning and architectural engineers, and other operational staff members in the fields of civil, mechanical, and electrical who actively and willingly accept the challenge of completing the projects effectively and within the allotted time frame.

Our Aim

For HR Contracting and Constructions Pvt Ltd, "Quality is Primary" and a crucial requirement. The "Quality Objective" is met by all systems and procedures. During the material selection process, project implementation, and even after the project is over, we adopt and adhere to stringent guidelines. Our company group is currently putting the "Total Quality Management" concept into practice across all of its operational aspects.

Technology

In the context of technological advances, HR Contracting and Constructions Pvt Ltd desires to implement state of the art technology facilitated with the latest systems/networking techniques. This would provide strong management assistance to access the information and thus, establish regular inspection and control over the business transactions. Continuous technological reformations help the business group to remain upgraded with the latest market strategies.

Project

Business and Operations

Our company works on both medium-priced and expensive projects, managing contracts and carrying out turnkey construction. We've divided up our projects into the following six groups:

- Residential Projects
- Integrated Township Projects
- Redevelopment Projects
- Slum Rehabilitation
- Special Economic Zone Project
- Commercial Project

Objective

Continue to offer the best while perpetuating all the principles that have become synonymous with our work:

- Unmatched Quality
- Guaranteed Customer Satisfaction
- On-time Deliverance of Project
- Excellent Property Management Cell
- Inspection is provided even after completion of selling process.

Management:

HR Contracting and Constructions Pvt Ltd.'s departments and units are each successfully run by qualified professionals that oversee all work done in their particular department and then provide the CEO with a complete report. The promoters are technocrats with extensive backgrounds in the construction industry. The group units work in a welcoming and friendly work environment and place a high value on the advancement of human resources and the prompt completion of each project that the organization undertakes.

GLOBAL PRESENCE

H.R. Group of Companies has amassed a sizable clientele and within a span of just few years, we were able to create a large customer of over **2000+** clients around the world. We've always been able to maintain our clients' trust by providing them with quality services that are provided on time.
